# LA MANGA

Golf Tuition Holiday

**November 4th - 9th 2019**

**Once again we visit the delightful La Manga Club, Spain for our November Tuition Holiday. James, Mark and Joe will be hosting this trip staying in the 5\* Principe Felipe Hotel. La Manga is a renown golfing haven with three championship courses, each with their own unique characteristics. There are superb practice facilities, a choice of 4 restaurants, sauna, pool and spa .**

As this trip focuses on tuition we have kept the group sizes to a maximum of 4 per professional. James, Mark and Joe will work on the range and short game area each morning with their group and after lunch take these new skills onto the course for a 9 hole playing lesson leaving no stone unturned. This trip is suitable for single golfers, couples and friends and is a social holiday to improve your golf, meet like-minded people and enjoy the quality La Manga has to offer with some outstanding golf coaching.

**If you wish to book a place on the "La Manga Tuition Holiday" please contact us and we will send you the confirmation details accordingly.**

# GOLF COURSES

## South Course Par 73

The South Course is the venue for the major professional tournaments on the European Men's and Ladies Tour. It offers a fantastic test for all standards with its tricky greens and tight driving holes.

Yellow Tees 5,739m Rating 72.5  
Red Tees 5,139m Rating 73.2

## North Course Par 71

The North Course is probably the easiest of the three courses. With lovely wide fairways and inviting greens it allows you to open your shoulders more than the south and west courses. Don't be fooled though, there are enough hazards to keep you on your toes!

Yellow Tees 5,426m Rating 69  
Red Tees 4,962m Rating 71.9

## West Course Par 72

The West Course offers a different challenge as accuracy is more important than power as you plot your way through the forest and natural storm gullies.

Yellow Tees 5,521m Rating 72.4  
Red Tees 4,724m Rating 72.7
